

AUSTRALIAN PRIME MINISTERS

Larrikins or patricians, socialists or silvertails - in the century following Federation, Australia's prime ministers were as diverse as the nation they served. Some came from backgrounds of rural or urban poverty and were largely self-educated, looking to the ballot box as a tool of social justice; some were drawn to politics as their destiny; still others regarded high office as no more than their due. One or two...

Reader's Opinions

An interesting read. A bit slow in places. Great way to learn a bit more about the history of our nation through the experiences of those who led us through the good times and the bad. Mostly for history buffs but a good reference for students as well.
