Reader's Opinions

Making Sense of Bertrand Russell's Complicated Life I waited a long time to get a hold of this book, and it was definitely worth the wait. Ray Monk presents a detailed life of the great philosopher, including Bertrand Russell's...

No one can capture the philosopher's life like a fellow philosopher. One of the more interesting character of the 20th century. Russell was a daring thinker and fearlessly applied his conclusions on life to his own--with disastrous results. Turns out that thousands of years of human mores may have been there for...
