

THE AUSTRALIAN MOMENT

There's no better place to be during economic turbulence than Australia. Brilliant in a bust, we've learnt to use our brains in a boom. Despite a lingering inability to acknowledge our achievements at home, the rest of the world asks: how did we get it right? George Megalogenis, one of our most respected political and economic writers, reviews the key events since the 1970s that have forged institutional and political leadership and a...

Reader's Opinions

This was enjoyable but I thought the focus on the economic issues facing Australia and the Prime Minister of the time was a bit narrow. Megalogenis certainly went through the last 40 years of Australian political history and the associated economic conditions with...

Fantastic stuff.
