

COVENANT WITH BLACK AMERICA

Six years' worth of symposiums come together in this rich collection of essays that plot a course for African Americans, explaining how individuals and households can make changes that will immediately improve their circumstances in areas ranging from health and education to crime reduction and financial well-being. Addressing these pressing concerns are contributors Dr. David Satcher, former U.S....

Reader's Opinions

I finished this book. It was an interesting read. Different persons in black america and their take on societal woes. But you have to read for yourself to make a decision. I finished this a while ago. I...
