# HELPING SOPHOMORES SUCCEED: UNDERSTANDING AND IMPROVING THE SECOND-YEAR EXPERIENCE

Helping Sophomores Succeed offers an in-depth, comprehensive understanding of the common challenges that arise in a student's second year of college. Sponsored by the University of South Carolina's National Resource Center for The First-Year Experience(R) and Students in Transition, this groundbreaking book offers an examination of second-year student success and satisfaction using both quantitative and qualitative measures from national research findings. Helping Sophomores Succeed serves as a foundation for designing programs and services for the second-year student...

Reader's Opinions

The book is a solid overview of research surrounding success for Sophomore year students. Considered more of an overview of different topical areas, it is a great place to start and a must for anyone that spends a significant amount of time working with second year students. Would definitely recommend.

Great book to read if you work with second year college students! Lots of useful tips! Highly suggest.
