

DESIGN FOR HOW PEOPLE LEARN

Products, technologies, and workplaces change so quickly today that everyone is continually learning. Many of us are also teaching, even when it's not in our job descriptions. Whether it's giving a presentation, writing documentation, or creating a website or blog, we need and want to share our knowledge with other people. But if you've ever fallen asleep over...

Peek Inside the Book

I winced now to think of when I was a new teacher, and said things like "This is really important stuff" or "You'll be really glad you know this stuff later on. Julie Dirksen, Design for How People Learn //

Reader's Opinions

This is a great intro / broad exploration of learning design! It definitely gave me ideas to consider for designing online courses.
