Peek Inside the Book

They found, like many explorers before them, that somehow, in their absence, they had got into trouble at home. Arthur Ransome, Swallowdale //

Things might have been a lot worse. Dont you worry about it overmuch. When a things done, its done, and if its not done right, do it differently next time. Worrying never made a sailor. Arthur Ransome, Swallowdale //

Reader's Opinions

Swallowdale is the sequel to Swallows And Amazons, and was itself succeeded by a number of further sequels. I must admit I enjoyed the first book rather a lot more than this one. There are some beautifully described episodes here, yes, and enjoyable escapades as before... but there's something missing too. It's hard to explain exactly...

If you are looking for an easy yet intriguing read, then you've found them here. The whole series contain stories about four children and their imaginative travels...kind of like the chronicles of narnia but slightly more down to earth, and lots of fun. They made me laugh a lot, and helped me to see life a little bit more brightly....
