

# GOLIATH STONE, THE

Doctor Toby Glycer has effected miracle cures with the use of nanotechnology. But Glycer's controversial nanites are more than just the latest technological advance, they are a new form of life—and they have more uses than just medical. Glycer's nanites also have the potential to make everyone on Earth rich from the wealth of asteroids. Twenty-five years ago, the Briareus mission took nanomachinery out to divert an Earth-crossing asteroid and bring it back to be mined, only to...

## Peek Inside the Book

...sometimes the only way to call attention to bad construction was to set fire to the building. Larry Niven, The Goliath Stone //

## Reader's Opinions

As Larry Niven ages, the probability that his next book will be good just keeps going down. This one's a stinker. In mid-story, the authors talk about a character becoming hugely successful by writing romance novels - using a template and making everything as bad as it could be. I am tempted to read that as being about this book too....
