

# SEARCHLIGHTS AND SHADOWS: A NOVEL OF GOLDEN-ERA HOLLYWOOD

Have you ever wanted to climb into a time machine and visit Hollywood during its heyday? At the dawn of 1942, the dark days of Pearl Harbor still loom over Los Angeles. America is now at war, and posters warn home-front Hollywoodites that loose lips sink ships. Wartime propaganda is the name of the game, and the studios are expected to conjure stories that galvanize the public for the war effort. Marcus Adler...

## Reader's Opinions

Great series! I am really loving this series of books. The characters are great and it's fun to see little snippets of old Hollywood. It's also fun to read about the old Hollywood actors from that era....

Best of the bunch! The opposite of most series the author has saved the best for last. Very interesting book about Hollywood during World War II.
