

# COUNTERINSURGENCY IN MODERN WARFARE

Through history armies of occupation and civil power have been repeatedly faced with the challenges of insurgency. US involvement in Iraq and Afghanistan has highlighted this form of conflict in the modern world. Armies, sometimes reluctantly, have had to adopt new doctrines and tactics to deal with the problems of insurgency and diverse counterinsurgency strategies have been developed. These have ranged from conventional military operations to a combination of military and political strategy including propaganda, Psy-Ops, and other approaches. In Counterinsurgency in...

## Reader's Opinions

A tight, concise overview; at best a starting point for further research. It was a very well-timed book, but I would like to see a revised edition released with new data from the last decade as well as a comprehensive bibliography for further reading.
