

# NEUTRON STAR

Journeys through Known Space. Come to Larry Niven's Universe and meet all the natives: Thrints, Bandersnatchi, Puppeteers -- and a host of other wonderfully created characters. Visit Lookitthat, Down, and Jinx -- indeed, an entire galaxy of planets found...

## Reader's Opinions

Wishing I had known more about Known Space before picking up Ringworld, but enjoying going back and catching up with these short stories.

Some of the great short fiction from Niven's "Known Space" universe - just enough hard science to make you believe this could all happen one day, and more than enough engaging writing to make this a book I read again and again.
