Reader's Opinions

This book touched me deeply. I am very close with my grandmother and share many interests with her and she is infact getting older and has been a little forgetful lately. This is a great book for a child who is experiencing the same type of situations. Getting old is difficult but it is a part of life and children need to learn that...

This story is about a grandmother who is suffering from memory loss. Her granddaughter, Margaret is confused and needs to be reassured that even though her grandma can't remember things she still loves her family. This is a touching book that would be great to introduce to children that...
