## Reader's Opinions

Over the years, I've read a considerable amount of fairytales so I was familiar with most of the stories in this collection (in one form or another). However I was surprised at how dark some of the themes were, especially if they were intended for children. Good always seems to prevail but not in...

This audiobook was provided by the publisher in exchange for an honest review. This review can also be found at The Starry-Eyed Revue. Even though I know that these are all classic tales, I feel like I'm reading them for the first time, like they've been reinvented with a grown-up me in mind: dark and macabre and grotesque. But that's...
