

THE VOLCANO DISASTER

Warren Spalding is sent to live with his grandmother after his father dies in an accident and his mother returns to college. There he discovers his grandfather's invention, an Instant Commuter. Accidentally, the boy is transported back in time to the slopes...

Reader's Opinions

Warren is supposed to be working on a class project on Mt. St. Helens, but instead is busy working on his grandfather's Instant Commuter

I thought that this book looked really silly when I picked it up, and I thought it was really, really sill after reading the first few chapters, but then it got better. The author could have just put the setting for when the volcano erupted, but instead she set it in the present and then the kid finds a time machine and goes back in...
