Peek Inside the Book

If a husband expresses a thought alone in the middle of the woods, so the joke goes, is he still wrong? Probably so. John F. Carter, Mastering the Trade, Second Edition: Proven Techniques for Profiting from Intraday and Swing...

Reader's Opinions

An important study for day traders. I learned several new techniques that professional traders use on a daily basis. Understanding how the pros approach support/resistance levels allows the small day trader to anticipate and profit from the intraday movements around pivot points and fibinocci numbers.
