

INNER CITY

The cities have gated their walls. Those in rural areas have been reduced to savages. When Callen Carrus, a seven year old boy from the city, faces a personal crises and runs away, he's chased outside the city walls. What happens to him there sets him on a twelve year quest that leads to love and extraordinary adventure. The riddle of Callen's past will require him risking his life to solve.

Reader's Opinions

ever read one of those books that the story sticks with you weeks after you've finished it? this was one of them for me.

In the year 2471, the world is sharply divided between the civilized "Haves" of the City and the barbaric "Have-Nots" of the Outlocked...until a seven year old boy crawls through a secret tunnel, and begins to find out... "they lie."
