

HOMO DEUS: A BRIEF HISTORY OF TOMORROW

Humans today enjoy unprecedented levels of power and an increasingly god-like status. The great epidemics of the past – famine, plague and war – no longer control our lives. We are the only species in history that has single-handedly changed the entire planet, and we can no longer blame a higher being for our fate. But as our gods...

Peek Inside the Book

We do not become satisfied by leading a peaceful and prosperous existence. Rather, we become satisfied when reality matches our expectations. The bad news is that as conditions improve, expectations balloon. Yuval Noah Harari, Homo Deus: Breve historia del maana //

Reader's Opinions

More interesting as provocation than enlightenment. Some great turns of phrase though
