

# LEAN CHANGE MANAGEMENT: INNOVATIVE PRACTICES FOR MANAGING ORGANIZATIONAL CHANGE

This book will help you implement successful change and bypass change resistance by co-creating change. The book will do that through examples of how innovative practices can dramatically improve the success of change programs. These practices combine ideas from the Agile, Lean Startup, change management, organizational development and psychology communities. This book will change how you think about change. In this book we will cover:...

## Peek Inside the Book

The Hack is the action you take to expose, jam, complicate, disrupt, or otherwise point out the crack to the organization. Jason Little, Lean Change Management: Innovative practices for managing organizational change //

If you truly want to understand something, try to change it" - Kurt Lewin - Jason Little, Lean Change Management: Innovative practices for managing organizational change //

## Reader's Opinions

I just attended Jason's Lean change Toronto two-day course. His book is compilation of various change methods - Kotter, McKinsey, ADKAR tied together his Lean canvas approach. There are elements of the ideas which I found interesting to check and a few that I don't relate to and would ignore. It is another
