

THE ORGY: AN IRISH JOURNEY OF PASSION AND TRANSFORMATION

Those who have traveled know the experience of extended time and sharpened perception. Muriel Rukeyser's account of Ireland's Puck Fair, the last existing pagan festival of the goat, captures just that state of consciousness. Set in County Kerry, Ireland, The Orgy evokes this great American poet's journey of sensual and psychological transformation in the midst of a lush account of Irish culture and tradition.

Reader's Opinions

Disappointing. I only read it because it was set in Ireland but really even on that account it was disappointing. Must be an experiment in literature from the 1970s when it was the in thing to break all the rules including making sense. (And there...
