

# DEADSTOCK

No one knows who or what is killing the cattle at Groom ranch, but Sam Dryden, with his supernatural greenwood gun, and Raisy, with her 'deck' of knives, are determined to find out. What they discover is more horrifying than either of them ever dreamed, and the secret may be one that takes them to the grave. Seasoned with a dash of horror and a pinch of sci-fi, Deadstock is a tasty dish just waiting to be devoured.
