

# ABOVE ALL, BE KIND: RAISING A HUMANE CHILD IN CHALLENGING TIMES

"Above All, Be Kind" teaches parents how to raise their children to be humane in the broadest sense to become not only more compassionate in their interactions with family and friends, but to grow up to make life choices that demonstrate respect for the environment, other species, and all people. The book includes chapters for...

## Peek Inside the Book

If the traditional Rs (reading, writing, and arithmetic) are the basics that we want our children to master academically, then reverence, respect, and responsibility are the three Rs that our children need to master for the sake...

## Reader's Opinions

This book gave me so much more than I expected. Living humanely means to encompass all the best qualities of being human: kindness, compassion, honesty, willingness to change, generosity, courage, self discipline, humor, wisdom and integrity ... of course being all of that all the time is not realistic but, learning to have most qualities...

Although this book has been previously reviewed as a "parenting book," I have looked at this book as a concerned citizen and educator who believes it takes a "village to raise a child." One need not be a parent to pick up this book to...
