

HEIDI

When Heidi's Aunt Dete brings the orphaned girl to live with her grandfather, no one can imagine the bitter, solitary old man caring for a child. But, to everyone's surprise, the two grow to love each other and Heidi blossoms in her new home. Johanna Spyri's charming story and spirited heroine have won children's hearts for more than a century.

Reader's Opinions

Heidi is little girl that lives with her grandfather, her friend Peter, and her grandmother. Heidi has fun playing with Peter. Then her aunt sells her to a mean lady like herself. Heidi didn't like it there at all. So she got to go back home to her grandfather....

I thought it was a heart touching book. Especially the part when Heidi was separated from her home, but she never forgot about grandma and grandpa.
